

## CURRICULUM VITAE

### Issues and Agenda for Yellow Sea Cooperation on the SDGs 14

Fangli Qiao

Deputy Director General, FIO

#### Professional Experiences

- 2020 - Present: Director, Key Laboratory of Marine Science and Numerical Modeling, Ministry of Natural Resources, China
- 2018 - Present: Deputy Director, National Engineering Laboratory for Integrated Aero-Space-Ground-Ocean Big Data Application Technology, Qingdao
- 2014 - 2019: Secretary General and DDG, First Institute of Oceanography (FIO), State Oceanic Administration (SOA), China
- 2013 - Present: Director, Laboratory for Regional Oceanography and Numerical Modeling, Pilot National Laboratory for Marine Science and Technology, Qingdao, China
- 2006 - 2020: Director, Key Laboratory of Marine Sciences and Numerical Modelling, SOA
- 2001 - 2001: Visiting Scholar, Princeton University, USA
- 1999 - 2006: Executive Director, Key Laboratory of Marine Sciences and Numerical Modelling, SOA
- 1999 - Present: Deputy Director General (DDG), FIO
- 1997 - Present: Professor, FIO
- 1996 - 1997: Frontier Fellowship, National Institute of Marine Environments, Japan
- 1995 - 1997: Associate Professor, FIO
- 1993 - 1995: Assistant Professor, FIO
- 1991 - 1993: Researcher, FIO

#### Educational Background

- 1988: Bachelor, Physical Oceanography, Ocean University of China, China
- Master, Physical Oceanography, First Institute of Oceanography, State Oceanic Administration, China
- 2003, PhD, Physical Oceanography, Institute of Oceanography, Chinese Academy of Science, China
