

CURRICULUM VITAE

Delivering a Sustainable Ocean Economy in the Framework of the SDGs

Claire Jolly

Head of Unit, OECD STI

Professional Experiences

- 2016 - President: Head of Unit, Directorate for Science, Technology and Innovation, at the Organisation for Economic Co-operation and Development (OECD), Paris, France
C. Jolly heads the Innovation Policies for Space and the Ocean Unit in the OECD Directorate for Science, Technology and Innovation (STI). The IPSO Unit activities contribute to broader priorities of the OECD, in particular for the OECD Committee on Science and Technology Policy (CSTP), with ongoing strands of work on digitalisation of the economy, emerging technologies for addressing grand challenges and international cooperation in STI.
